

IDCRP Presentations and Posters at IDWeek 2018

From 10/3/2018 To 10/7/2018 at San Francisco, California

Oral Presentations:

Friday, October 05, 2018

- 11:00 AM** * Impact of Doxycycline as Malaria Prophylaxis on Risk of Influenza Like Illness among International Travelers (Depl/Trav)
Lago K, Telu K, Tribble DR, Ganesan A, Kunz A, Geist C, Fraser J, Mitra I, Lalani T, Yun H.

Posters:

Thursday, October 04, 2018

- Poster #433** * Impact of Doxycycline as Malaria Prophylaxis on Risk of Travelers' Diarrhea among International Travelers (Depl/Trav)
Lago K, Telu K, Tribble DR, Ganesan A, Kunz A, Geist C, Fraser J, Mitra I, Lalani T, Yun H.
- Poster #483** * Clinical Characteristics of Military Trauma Patients with Clostridium difficile Infections (Trauma)
Schall SE, Li P, Merritt T, Carson ML, Whitman TJ, Petfield JL, Tribble DR, Blyth DM.
- Poster #571** * In a Well Characterized Cohort with Universal Access to Care and Medications Racial Disparities in HIV Virologic Outcomes are No Longer Observed (HIV)
Ganesan A, Won S, Joya C, Deiss R, Maves R, Kronmann K, Lalani T, Schofield C, Whitman TJ, Okulicz JF, Agan BK.
- Poster #601** * Prescription Drug Misuse in an HIV-Infected U.S. Military Cohort (HIV)
Deiss R, Byrne M, Larson D, Ganesan A, Noiman A, Garges E, Randell K, Okulicz JF, Kronmann K, Schofield C, Macalino GK, Maves RC, **Agan BK**.
- Poster #602** * Factors Associated with Erectile Dysfunction Diagnosis in HIV-infected Individuals: A Case-control Study (HIV)
Jansen N, Daniels C, Sunil TS, Xu X, Cota JM, Byrne M, Ganesan A, Deiss R, Agan BK, Okulicz JF.

Friday, October 05, 2018

- Poster #1172** * Travel-associated multidrug-resistant organism acquisition and risk factors among US military personnel (Depl/Trav)
Buchek GM, Mende K, Telu K, Tribble DR, Ganesan A, Kunz A, Fairchok M, Schnaubelt E, Fraser J, Mitra I, Johnson MD, Lalani T, Yun HC.
- Poster #1184** * Resistance patterns and susceptibility of Klebsiella pneumoniae infections in service members who sustained trauma in Iraq and Afghanistan (Trauma)
Kiley JL, Mende K, Kaiser SJ, Carson ML, Lu D, Merritt T, Whitman TJ, Petfield JL, Tribble DR, Blyth DM.
- Poster #1198** * Clinical characteristics and outcomes of Klebsiella pneumoniae infections in service members who sustained trauma in Iraq and Afghanistan (Trauma)
Kiley JL, Mende K, Kaiser SJ, Carson L, Lu D, Whitman TJ, Petfield JL, Tribble DR, Blyth DM.
- Poster #1376** * Antifungal activity of cerium nitrate against mold isolates associated with combat-related injuries including burns (Trauma and EIDAR)
Pomerantz H, Beckius ML, Blyth DM, Akers K, Tribble DR, Mende K.
- Poster #1500** At Risk Drinking is Common among HIV infected Department of Defense (DoD) Beneficiaries but was not Associated with Prevalent GC/CT Infections (STI)
Ganesan A, Wang X, Blaylock J, Okulicz JF, Waggoner S, Johnson B, Kirkland N, Wimberly V, Garges E, Deiss RG.

IDCRP Presentations and Posters at IDWeek 2018

From 10/3/2018 To 10/7/2018 at San Francisco, California

Saturday, October 06, 2018

- Poster #1929** * Risk of acute kidney injury in combat-injured patients associated with concomitant vancomycin and extended spectrum β -lactam antibiotic use (Trauma)
Yabes JM, Stewart L, Shaikh F, Lu D, Merritt T, Mende K, Carson ML, Robben P, Leimbach R, Petfield JL, Ganesan A, Tribble DR, Blyth DM.
- Poster #2053** Tissue Based Molecular Diagnostics. A sensitive and specific way for the identification of Invasive Fungal Infections in the combat related setting (Trauma)
Ganesan A, Shaikh F, Peterson P, Bradley W, Johnson B, Bennett D, Carson ML, Merritt T, Akers K, Wells J, Bialek R, Tribble DR, Wickes B.
- Poster #2248** * Changes in lipid profiles for patients to tenofovir alafenamide (TAF)-containing regimens: perspectives from a military HIV-positive cohort (HIV)
Ewers EC, Won SH, Okulicz JF, Ferguson TM, Deiss R, Maves R, Kronmann K, Lalani T, Agan B, Whitman TJ, Ganesan A.
- Poster #2374** Genomic Characteristics of Recurrent *S. aureus* Skin and Soft Tissue Infection among US Army Trainees (SSTI)
Verratti KJ, Player RA, Wood SM, Schlett CD, Ellassal EE, Forsyth E, Ellis MW, Tribble DR, Millar EV, Bennett JW.
- Poster #2499** Burden of Influenza Like Illness (ILI) Among Congregate Military Populations (ARI)
Coles CL, Chen WJ, Robinson S, Milzman JO, Robinson, S, Jones CA, Moreno N, Burgess TH.
